

## Battery Lifting Beam

### Product information

Battery Lifting Beams are specifically designed for the safe removal of battery boxes from forklifts. Supplied as standard fork mounted, but can be manufactured with a lifting eye for an overhead crane.

#### Standard Features

- Supplied with 4 single drop chains with hook
- Six lifting points supplied as standard
- Zinc plated twist screws for safe attachment to truck
- Maximum fork section 125 x 50 mm at 340mm centres
- Painted bright orange for safety

| Part code | WLL ton | Weight kg | Delivery time |
