

## Open Spelter Socket with Safety Pin

### Product information

The open spelter socket from the standard series has a wide range of applications as a steel wire rope socket for general use in any situation and under various conditions. If the minimum breaking load of the wire is not higher than that of the open spelter socket, a 100% breaking load of the socket-wire combination is guaranteed. Non standard sizes or custom products available on request. ISO 3189.

**Working Load Limit:** 20% of the MBL

**Standard certification:** Certificate of Conformity, 3.1 material Certificate EN 10204

**Material:** Cast steel

**Temperature range:** -40°C up to +200°C

**Finish:** Galvanized or painted RAL 5013 Blue
