

Lifebuoy-Orange

Product information

Life buoys for rescue and safety at rough seas and ports.

Lifebuoys provide instant, reliable flotation support in man-overboard emergencies, helping keep casualties afloat until rescue. Our range includes SOLAS-approved and CE-marked lifebuoys designed for high visibility, fast deployment, and durability in harsh marine environments. Available with optional lights, lines, and mounting brackets, they are ideal for vessels, marinas, docks, and waterside workplaces that demand dependable lifesaving equipment.
