Plastic corner protector for lashing systems 100 mm

Product information

Corner protector is ready in 90° angle. Inner structure protects and prevents pressure from being targeted to the corner of the work piece. Made from durable and flexible material which allows bending, it will maintain its shape and does not crack in temperatures -25°C - (+)50°C. Slot and side covers prevent the band from moving sideways or disengaging.

Packing size: 100 pcs/box | 4400 pcs/pallet
