# EZ Line™ horizontal line system 3M™ DBI-SALA® 7605061

**Product information**

The EZ Line™ is a user-friendly horizontal (rescue) line system that can be quickly installed, removed and stored. Thanks to the innovative, self-retracting design of the EZ-Line, the user can quickly and efficiently select the desired length of the system and then retract it just as quickly. The entire rescue line is retracted into an easy-to-carry housing, eliminating the need for large, cumbersome cable reels that are difficult to set up, move and dismantle.
