Adjustable Door and Window Jamb Anchor 3M™ DBI-SALA® 2100080

Product information

3M™ DBI-SALA® Door/Window Jamb Anchors adjustable to fits 54.6-130.8 cm (21.5 to 51.5 in.) openings.

The built-in adjustment system clamps to the window or door jamb. It avoids damage to the structure and the non-penetrating design eliminates site damage. Adjustment knob and telescoping design for fast and easy installation - no tools or drilling are required to tighten and secure in place.

Advantages:

- Compatible with various fall protection systems
- Compact, lightweight design
- Easy to assemble and disassemble.
- Quick to adjust to the correct size.
- Ideal for use with personal fall protection systems with self-retracting lines - fall arrest blocks
- pivoting connection with D-ring
- Portable and reusable
- Corrosion-resistant construction for durability
