Anchor Post for ISO Container FA6003200

Product information

Container Anchor post is meant to provide a temporary anchor for working on top of ISO 20 ft & 40 ft shipping containers. In addition to be used as a stand alone anchor post, it can also be used to form a horizontal life line over the top of container depending upon the requirement of work to be done.

- Comes with a side lock & tag line arrangement for secure installation by one person only.
- Can be removed without damaging the container.
- Has an anchorage allowing a 360° rotation.
- Has a carrying handle.
