

Eliminator Double Hook Crosby L-1362

Product information

The Crosby Eliminator® combines selected features and functionality of a master link, connecting link, grab hook and adjuster legs to provide you with one fitting that is suitable for applications that require an adjustable length chain sling.

- Innovative two piece design allows for maximum flexibility.
- Engineered to accommodate optional locking pins that can be inserted to lock the shortened chain legs into place.

Material: Forged alloy steel — Quenched & Tempered.

Grade: 10
