

Clevis C-Hook Pewag KCHW

Product information

Simple and fast hooking and removal where no safety catch is required – this is where the KCHW clevis C-hook comes into its own! Its hook tip is shaped in such a way as to prevent accidental unhooking when not under load. The chain may be linked to the clevis system easily and speedily, without the need for additional connecting links.

Marking: According to standard, CE-marked

Standard: EN 1677-1

Grade: 10
