

Maree Cuffs

Product information

The Guy Cotten PS Maree Cuffs are designed for professionals seeking comfort and protection in demanding marine environments. Made from Cap Coz fabric, these cuffs offer exceptional waterproofing, durability, and flexibility. The ergonomic design ensures a secure fit while allowing freedom of movement, making them ideal for fishing, aquaculture, and heavy-duty outdoor work. Resistant to wear and tear, the Maree cuffs deliver long-lasting performance in harsh conditions.

Features:

- Elastic arm circumference + Self-grip tab adjustment
- Neoprene cuff
