

## Nylpeche Fabric Cuffs

---

### Product information

The Guy Cotten PS Cuffs in Nylpeche fabric are built for maximum durability and waterproof protection in harsh marine environments. Made from ultra-resistant PVC-coated Nylpeche material, these cuffs provide superior abrasion resistance and long-lasting performance. Designed for professional fishermen and aquaculture workers, they offer a secure fit and flexibility for demanding tasks. Perfect for pairing with waterproof jackets and bibs, these cuffs ensure comfort and reliability in all weather conditions.

#### Features:

- Elastic arm circumference.
- Elastic cuff circumference.
