

Neptune Waistcoat 50N

Product information

Neptune Waistcoat 50N is Buoyancy aid waistcoat. Registered design.

It has 4 other important strengths regarding safety :

- Crotch strap keeping the jacket at your waist!
- Handle on the back for holding the person
- Reflective strips on the back and shoulders!
- It does not restrict movement and can be worn permanently.
- Whistle provided.
- Compartment for cyalume insert (not supplied).

Composition:

Outside: 70% polyester-30% polyuréthane

Lining: 100% polyamide

Closed-cell PVC foam guaranteeing good buoyancy that lasts.

For maximum protection, make sure you choose the appropriate size for your comfort and survival. Try on the jacket in a swimming pool to familiarise yourself with how it works and how it behaves in the water. Closed-cell foam remains buoyant for a long time when used normally and does not require any particular care. **Do not use the jacket if it is damaged!**

Material: Polyamide

Marking: According to standard, CE-marked, UKCA-marked

Finish: Waterproof

Standard: EN 343:2019
