

Immersion Suit Neptune LALIZAS

Product information

The LALIZAS Immersion Suit Neptune SOLAS/MED/MER Universal Insulated is an insulated immersion suit designed to help reduce the risk of hypothermia during emergency abandonment and cold-water exposure. Suitable for commercial vessels, ferries, offshore installations, rescue boats, and man-overboard craft, it combines thermal insulation with a practical design for rapid emergency donning. It should be worn together with an approved lifejacket.

Best used for:

- Commercial ships, ferries, offshore platforms, rescue boats, and man-overboard boats.
- Cold-water emergency situations where thermal protection and rapid deployment are essential.

Product benefits:

- Reinforced 5 mm neoprene provides thermal insulation and durability.
- Conforms to SOLAS, MED, and MER requirements for hypothermia protection.
- Ergonomic design enables quick donning during emergency situations.
- Diesel, oil, and flame-resistant construction for demanding marine environments.
- Waterproof front zipper, face seal, ankle cuffs, and SOLAS retroreflective tape improve protection and visibility.

Standard:

- (EU) 2023/1667, item No. MED/1.5b. SOLAS 74 as amended, Regulation III/4, III/7, III/22, III/32, III/34 & X/3, LSA Code, 2000 HSC Code 8, IMO Res. MSC.481(102), IMO MSC/Circ.1046, IMO MSC.1/Circ.1628
