

Lifejacket Lamda SOLAS/MED-MER, LALIZAS

Product information

The LALIZAS Lamda Inflatable Lifejacket is a SOLAS and MED-MER approved inflatable lifejacket designed for commercial vessels, passenger ships, offshore operations, and other professional marine environments. It combines ergonomic comfort with certified performance, making it suitable for prolonged wear while meeting international life-saving equipment requirements.

Best used for:

- Commercial shipping, passenger vessels, offshore installations, and professional marine operations.
- Users requiring a SOLAS-approved inflatable lifejacket for heavy-duty clothing or immersion suit compatibility.

Product benefits:

- SOLAS and MED-MER certified for compliant professional marine use.
- Ergonomic shoulder design with soft neoprene improves wearer comfort.
- Equipped with two automatic inflators with round pullers in the zipper models and include a plastic buckle for easier and quicker fastening.

Standard: (EU) 2024/1975, item No. MED/1.4. SOLAS 1974 as amended, Reg. III/4, III/7, III/22, III/34 & X3, LSA Code, 2000 HSC Code 8 and IMO MSC/Circ.922, IMO MSC.1/Circ.1304 and 1470 and MSC.1/Circ.1628
